2010 Nyack Summer Band Camp

Beginning Band (Nyack Students Only)

These classes are offered to all beginning band students with no prior playing experience. Every day, students will receive 45 minute lessons in "like instrument" classes. The lesson will be divided into sections, with the students learning playing techniques on their instruments and in fun combined activities with students on other instruments involving note reading and rhythm. They will learn to assemble, disassemble and care for their instrument properly. A great deal of care will be given to proper hand and body position, correct embouchure formation and we will learn our first song!! We will have a "demonstration concert" on the last day of camp at 10am on July 30. You and your child will receive "practice guidelines" to take home. *Learning takes place at school but proficiency is gained at home!*

8:00-8:45am Oboe or French Horn

9:00-9:45am Flute or Clarinet

10:00-10:45am Alto Saxophone or Trumpet

11:00-11:45am Trombone/Baritone or Percussion

Intermediate Band: 12:30-2pm (Gr. 5-8)

Students must have a minimum of one school year of experience playing an instrument. Students will receive instruction in sectional and full band rehearsals every day! Sectional rehearsals will focus on warm ups for tone development and scale patterns to develop their technique. In our daily band rehearsals we will be preparing pieces for the performance on the last day of band camp!
